Button

Button

Button

The desktop layout features a header with a user profile, navigation links (Home, Login / Sign in, About), and a hamburger menu icon. A dark/light theme toggle switch is located in the top right. The main hero section has a red background with a large white circle containing the word "LOGO". Below this is a banner image and a "Create Order" button. The main content area is a grid of three product cards, each with a placeholder image, descriptive text, and an "Order" button. Below the grid is a "Custom" section with three more product cards, each with a placeholder image and a "Custom" button. A "Ver tudo" link is positioned to the right of the "Custom" section. The footer is a simple gray bar with the word "Footer".

Dark / Light Switch Theme

The mobile layout is a single-column version of the desktop design. It includes the same header with user profile, navigation links, and a hamburger menu icon. The hero section features a red background with a large white circle containing the word "LOGO". Below this is a banner image and a "Create Order" button. The main content area displays a single product card with a placeholder image, descriptive text, and an "Order" button. Below this is a "Custom" section with a single product card, a placeholder image, and a "Custom" button. A "Ver tudo" link is positioned to the right of the "Custom" section. The footer is a simple gray bar with the word "Footer".
